

Meld Referral Program

Jun 2021

We often hear of how our users (the referrers) convinced their friends and family (the referees) to use our saddles. As a token of our appreciation, we are giving away a 10% discount for each referral. Details are as follows:

1. Each 10% discount given is in the form of a refund applied to the referrer's prior order.
2. The maximum number of discounts applicable to a referrer's prior order is 10.
3. The referrer's order must have been placed before the referee's.
4. Discounts can only be given within 180 days from when the referrer's prior order was placed.
5. Discounts are given only if the referee does not return their saddle 30 days after receiving it.
6. The referrer cannot refer themselves.
7. A referrer can receive at most one discount for each person referred.
8. A referee can have only one referrer.
9. No cyclic referrals where the referrals form a closed loop. For example,
 - a. Person A cannot be both the referrer and referee of person B.
 - b. Person A cannot be the referrer of person B, who is the referrer of person C, who is also the referrer of person A.
10. The referee will need to notify us (sales@meld3d.com) of the referral using the email address associated with their account. Use 'Referral' as the email subject, and include either the referrer's Meld username or email address in the email body. This notification should be sent no earlier than 30 days after the referee's saddle has been received, and no later than 180 days after the referrer's order was placed.
